New York Institute of Technology: Academy

Manhattan Address: 1855 Broadway, New York, NY 10023
Telephone: 646.273.6135
Website: http://nyit.edu/

What We Offer
● A clear and effective curriculum that meets each student's unique and specific learning needs.
● Small classes with well-respected instructors who use the latest technology to create dynamic, interactive learning environments.
● An integrated program that leverages NYIT's academic resources and professional support to guide students in their academic studies.
● Targeted support services, including orientation, immigration and visa advice, and ongoing social programs that help international students adapt to multicultural life in New York and at NYIT.

NYIT Academy

NYIT Academy is a dynamic winter or summer program that provides academic instruction, experiential learning, service learning and cultural programming. These programs are ideal for students between the ages of 15 and 22. Tuition per week is $750, room & board option is an additional $1,250 per week. There is a multi-week discount.

Exploring the English Language in NYC: An immersive summer program, combining intensive coursework with opportunities to experience New York City, its culture, commerce, food, and people.

Exploring Architecture in Manhattan: Participate in design practice, theory, history, CAD, museum and office visits, modeling, presentation, and portfolio preparation.

Engineering and Computing Sciences: Includes electronic music, coding, gaming, hacking, robotics, 3D printing, CAD, prototyping, materials science, and nanotechnology.

Arts and Sciences: Brand Yourself! Including graphic design, 3D printing, photography, illustration, and typography; Create Motion!: 3-D modeling and animation, game design, and motion capture.

Hospitality and Management: The program incorporates academic studies; professional industry tours and guest speakers representing all aspects of leadership in the hospitality/business world - and engages students with New York and U.S. cultural experiences.

Health Professions: This two-week academy will expose students to programs in nursing, clinical nutrition, occupational therapy, physical therapy, physician assistant studies and osteopathic medicine. Students will participate in lecture and hands-on laboratory sessions in our state-of-the-art facilities. Included are tours of the anatomy, simulation, and biomechanics labs.

Interdisciplinary Studies: Introduces City Hike, a walking tour of New York and it's surrounding neighborhoods. This program allows students to explore the City while also doing volunteer projects that promote reflection and the importance of Urban Administration. Students can choose to attend a different program each week. NYIT Academy also offers a room and board option for out-of-town and international Students.

Application Requirements:

1. Completed application form

2. A $500 non-refundable Program fee

3. Copy of passport (it must be valid for at least 6 months after the program ends)

4. 250 word biographical statement (in English), telling us about yourself, your interests, and what you do in your spare time.

Please submit payment to: TD Bank NA; Massapequa East Branch; 555 Merrick Road; Massapequa, NY 1175
